Re: Your letter dated May 6, 2006

Dear Mr. Einstein:

Thank you for your letter dated May 6, 2006 addressed to our division President, Craig Westmoreland. Craig asked me to contact you as soon as possible to extend our appreciation for your inquiry and to arrange for a meeting as you requested.

Let me first say that KB Home takes great pride in the confidence the Voelker Trust has placed in our company to develop a community that will be a great asset to the neighborhood and to our City. As a responsible builder, KB Home is committed to being a good neighbor to the Whispering Oaks community and to all of our neighbors. We will also be good stewards of this unique property and if we move forward with development, we will strictly adhere to the City's Tree Preservation, water quality and parkland ordinances; as well all of the City's building code requirements, including drainage.

Your letter did not include a phone number so I am writing you asking you to contact me at your earliest convenience to set up a convenient time to meet. Just so you are aware, I am scheduled to be out of town from May 15th -19th at a company wide training seminar. I will return on May 22nd. You may contact me on my direct line at 210-301-2946.

Sincerely,

A handwritten signature in black ink, appearing to read "Carlos J. Contreras, III".
