Dues are better than Don'ts.

It would be easy to overlook what it takes to keep Whispering Oaks one of San Antonio's most admired and desired communities. Your all-volunteer Homeowners' Association spends nearly \$50,000 annually on the essentials that protect property values and enhance our quality of life.

- ✓ Lawn care
- ✓ Infrastructure repairs

- ✓ Utilities
- ✓ Neighborhood enhancements

- ✓ Advocacy
- ✓ Public works allocations

- ✓ Oak Wilt defense
- ✓ Community insurances

- ✓ Important alerts
- ✓ Crime deterrence
- ✓ Uniting neighbors

Most WOHA funding comes from residents chipping in about \$10 a month to become members. That's far less than what most nearby communities mandate - and every penny helps!

Please visit whisperingoaks.org to pay online or mail the form below. And thank you for being a good neighbor!
