

Partial List of Oak Wilt Arborists (Source: Texas A&M Forest Service)

While most licensed arborists are ISA certified, WOHA recommends hiring only those who have also been trained and certified by Texas A&M Forest Service to properly administer Oak Wilt fungicide regimens. Those noted with an asterisk (*) completed additional training in 2026. This list appears in random order.

*ArborCare Co. 210-279-6969 **

Torres Tree 210-540-4669
